

Learning Activity B-2

Possible Points: 35 **Passing Score: 27/35**

		Exemplary	Approaching	Developing
Content/Critical Thinking	Score ___/20	20	10	0
		Statement is thought-provoking and reflects core understandings of the course as it articulates what students should obtain from an education and how they will carry it throughout their lifetimes; A thorough analysis is provided that communicates how SAS will enable students to overcome potential challenges throughout their academic and professional careers;	Statement superficially reflects the core understandings of the course. It does not reveal the key elements or skills that students should obtain from an education to improve their futures; Response scarcely reflects how the components of SAS will enable students to overcome potential challenges in the future;	Statement does not indicate the main understandings of the course and what students should obtain from their education and how it will translate over a lifetime; Response does not indicate how SAS promotes lifelong learning and equips students with the skills and knowledge to overcome challenges throughout their lives;
Documentation	___/10	10	5	0
		A justification is included of how the utilization of SAS equips students to overcome challenges they may encounter in the future;	Explanation of utilization of SAS to prepare students for potential challenges is underdeveloped;	Explanation of utilization of SAS is not included;
Mechanics	___/5	5	3	0
		Well-written, complete response of at least two double-spaced pages or five paragraphs; correct grammar and spelling usage;	Comprehensible written response, but underdeveloped; some grammar or spelling errors;	Incomplete written response; unorganized thoughts; poor grammar or spelling;
